**PAX Legal Announces Incorporation and Welcomes Real Estate Attorney,
Keith Mecca as Of Counsel**

PLYMOUTH MEETING, Pa. — July 21, 2025 — PAX Legal, now operating as PAX Legal Inc., has announced a major milestone in the firm’s growth. Formerly an LLC, the firm’s incorporation marks a new phase of expansion and continued commitment to serving clients across Pennsylvania and New Jersey.

As part of this evolution, PAX Legal Inc. is pleased to welcome attorney Keith Mecca, Esquire, as of counsel. A seasoned real estate attorney and licensed Pennsylvania real estate agent, Mecca brings an unmatched depth of experience to the firm. His career includes leadership as a portfolio manager and extensive transactional work in the residential, commercial, and retail real estate markets across the region.

Mecca is widely recognized for his strategic, solutions-driven approach and brings a 360-degree perspective to each client matter. His multifaceted background spans legal counsel, real estate brokerage, capital acquisition for asset purchases, and in-depth knowledge of market dynamics. His presence enhances PAX Legal’s mission to deliver clear, committed, and customized service to property owners, buyers, and associations throughout the region.

“We have enjoyed working with Keith over the past 10 years and are delighted to have him as part of our growing firm. Keith’s knowledge of the real estate market in Pennsylvania and New Jersey and his many valued relationships will be an asset to PAX and the clients we serve,” said Neil Hilkert, co-founder of PAX Legal.

PAX Legal Inc. was founded by entrepreneurial attorneys Lida Bonner and Neil Hilkert, who are committed to redefining the client experience. The firm takes a transparent, strategic approach to every engagement—clearly outlining timelines, expectations, strategies, and projected costs—while guiding clients through each pivotal decision with insight, integrity, and a focus on achieving their goals.

More

“I am excited to join PAX Legal Inc. after a decade of working with Neil and Lida on client real estate matters. This new opportunity allows me to serve even more clients based on their wide range of legal experience within the real estate industry,” Mecca said.

Mecca remains actively engaged in both the legal and real estate communities in Pennsylvania and New Jersey, further strengthening PAX Legal’s network and regional reach.
